Websites for Literacy & Math Practice

**Starfall** allows students to practice reading and writing skills by using games and phonics.

**Kidsa-z** is an online reading program with interactive, leveled ebooks.

**ABCya** has K-5 games on language arts and math, as well as various other topics (both educational and just for fun.) There’s also a large collection of games available as apps.

**Xtramath** allows students to master addition and subtraction facts.

**IXL** allows students to practice a variety of math skills online.
